

HIGHLIGHTS OF CABINET MEETING – FRIDAY 19 MAY 2023

1. Cabinet has agreed to the introduction of the Local Government (Amendment) Bill into the National Assembly. The object of the Bill is to amend the Local Government Act to empower the President, acting in accordance with the advice of the Prime Minister, to further extend the life of the entire Municipal City Council and Municipal Town Councils, or entire Village Councils for a period of two years.

2. Cabinet has agreed to the promulgation of the Public Health (Restrictions on Tobacco Products) (Amendment) Regulations 2023 which would provide for authorisation to importers to remove their stock of tobacco products lying in customs area, including duty-free shop, bonded warehouse and Freeport zone premises after 30 May 2023. The Regulations would come into effect on 31 May 2023.

3. Cabinet has agreed to the signing of an Agreement to amend the Southern African Development Community (SADC) Protocol on the Control of Firearms, Ammunition and other Related Materials in the SADC region. The SADC Protocol came into operation in 2001 to prevent, combat and eradicate the illicit manufacturing of firearms, ammunition and other related materials and their excessive use because of the harmful effects those activities were having on the security of each State and the region.

The main amendments to the Protocol pertain to, inter alia, -

- (a) provision of a common regional framework for action on firearms and for the effective implementation of international and regional instruments, as well as a mechanism to coordinate, monitor and ensure enforcement of the Protocol;
- (b) strengthening of bilateral and multilateral cooperation and efforts in all areas of the fight against the illicit proliferation, circulation, transfer, manufacture and use of firearms; and
- (c) granting of authorisation to allow for the individual possession of firearms and ammunition in line with the legislation of each State Party.

4. Cabinet has taken note of the outcome of the Scoping Mission to Mauritius by a team of experts from the Infrastructure and Projects Authority (IPA) of the United Kingdom from 15 to 19 May 2023. A Memorandum of Understanding was signed between the Ministry of Finance, Economic Planning and Development and the IPA of UK. The Memorandum of Understanding is an emanation of the Strategic Trade Partnership Agreement signed between the Ministry of Finance, Economic Planning and Development and the Department for Business and Trade of the Government of UK.

5. Cabinet has taken note of the holding of a beach and lagoon cleaning activity organised by the Ministry of Environment, Solid Waste Management and Climate Change and the Beach Authority in collaboration with the High Commission of the Republic of India, on 21 May 2023 on the Flic-en-Flac public beach, in the context of India's G20 Presidency. The event, with the support of various stakeholders, will raise awareness about the growing problem of coastal and marine pollution and promote robust community engagement. In accordance with the "G20 Action Plan on Marine Litter" the G20 countries had committed to reduce, reuse, and recycle trash rather than dumping same in the ocean. The event would take place at the same time in all G20 countries and guest countries.
