

## **HIGHLIGHTS OF CABINET MEETING – FRIDAY 18 OCTOBER 2024**

1. Cabinet has agreed to the promulgation of the Education (Amendment No. 3) Regulations 2024, which would provide for –

- (a) the award of two HSC Professional (Pro) National Scholarships to the best performing candidates, one girl and one boy, at the Cambridge Higher School Certificate Professional Examinations;
- (b) the increase in the amount of annual allowances and tuition fees under the Laureate Scheme as announced in the Budget Speech 2024-25; and
- (c) laureates who opt to study locally for their first degree to be able to undergo their mandatory internship in the private sector in Mauritius, in addition to a Ministry or Government Department.

\*\*\*

2. Cabinet has agreed to the Ministry of Public Service, Administrative and Institutional Reforms signing a Memorandum of Understanding with the National Centre for Good Governance of India which would define the operational framework for cooperation between the two institutions for training and capacity building programmes for Public Officers. The Memorandum of Understanding would provide for collaboration in, inter alia, the following areas –

- (a) training and capacity building programmes;
- (b) curriculum development;
- (c) exchange of experts;
- (d) studies, reports and research publications; and
- (e) study visits and sharing of information and experience.

6. Cabinet has taken note of the holding of the 4<sup>th</sup> International Conference on Next Generation Computing Applications (NextComp 2024), organised by the University of Mauritius from 24 to 26 October 2024 in Mauritius.

The main goal of the NextComp 2024 would be to address new developments both in theory and in practice, in the area of Artificial Intelligence, Communication and Computer Networks, Security and Forensics, Intelligent systems, Data Analytics, Information Management, Bioinformatics and ICT Practices and Applications. The NextComp 2024 would also –

- (a) bring together experts, practitioners, academics and other stakeholders to share the latest research findings, case studies, technologies and best practices;
- (b) provide a platform for professionals to connect, exchange ideas, foster collaborations, and build partnerships that could lead to future opportunities or advancements in relevant fields; and
- (c) contribute to professional growth, offering attendees the chance to acquire new skills, learn about the latest trends and enhance their expertise.
