2. Cabinet has agreed to the introduction of the Gambling Regulatory Authority (Amendment) Bill into the National Assembly. The objective of the Bill is to amend the Gambling Regulatory Authority Act with a view to revamping the horse racing activities.

The Gambling Regulatory Authority Act will be amended to review and spell out clearly the roles and responsibilities of the Gambling Regulatory Authority in connection with its regulatory, licensing, monitoring and enforcement functions regarding the horse racing activities as well as the horse racing organiser. Amendments are also being made to bring changes to other provisions relating to horse racing. Provision is also being made for a new administrative set up at the Gambling Regulatory Authority with seven divisions to be under the control of the Chief Executive of the Gambling Regulatory Authority, one of which will be the Horse Racing Integrity Division which will be responsible to protect the integrity of horse racing and ensure that horse racing is fair, clean and free from corruption or malpractice.

5. Cabinet has taken note that the Mauritius Cane Industry Authority (Costs of Transport of Canes for Small Planters) Regulations 2025 would be promulgated to provide for transport charges payable by small sugarcane planters.

The transport charges would be applicable as from Crop 2025. The guiding principle of the mechanism is to set a maximum chargeable price for a fixed range of distances, taking into consideration the lower road rate for the transit of cane during harvest season which is determined by the Control and Arbitration Committee of the Mauritius Cane Industry Authority in the month of January of each year using the Consumer Price Index. The lower road rate is paid by millers if the distance from the small planters' field to the mill or the collection site is in excess of 6.4 Km. The lower road rate for Crop 2025 has been fixed at Rs9.14/Km.
