

## **HIGHLIGHTS OF CABINET MEETING – FRIDAY 28 MARCH 2025**

1. Cabinet has agreed to the introduction of the National Agency for Drug Control Bill into the National Assembly. The Bill would provide for the establishment of the National Agency for Drug Control (NADC) as an apex body responsible for drug use prevention, as well as rehabilitation and drug control issues.

NADC would have broader responsibilities and powers than the defunct National Agency for the Treatment and Rehabilitation of Substance Abusers (NATReSA), and would therefore be responsible -

- (a) for the demand reduction of drugs -
  - (i) through drug use prevention;
  - (ii) by coordinating and monitoring the treatment and rehabilitation of persons who use drugs, and their social reintegration;
  - (iii) through harm reduction of drugs, by minimising the negative health and social consequences on persons who use drugs and by minimising the transmission of HIV and AIDS and Hepatitis C among those persons; and
- (b) to coordinate the supply reduction of drugs by preventing, reducing or disrupting the entry, production and availability of drugs.

NADC would be administered and managed by the Drug Control Board which would have the responsibility to make policy decisions on the functioning of NADC, under several Divisions, such as a Policy, Research and Strategy Division, a Treatment and Rehabilitation Services Division, a Prevention and Public Awareness Division, an HIV and AIDS Prevention and Care Coordination Division and a Supply Reduction Coordination Division.

The Bill makes further provisions for the establishment of the National Drug Control Commission, chaired by the Prime Minister and comprising the Deputy Prime Minister and other Ministers. The National Drug Control Commission would be mainly responsible for, inter alia -

- (a) setting national objectives and goals, and determining policies and priorities with regard to drug control issues;
- (b) overseeing the overall coordination for all drug control activities in Mauritius for greater collaboration and synergy among stakeholders; and
- (c) monitoring and evaluating the implementation of the National Drug Control Master Plan and the National Action Plan for HIV and AIDS.
